**RV Defense™** is the most powerful defense spray in the United States today! Brought to the RV Community by an avid Rv'er himself, Thomas J. Archambault travels nationwide in his motor home instructing law enforcement, corrections and the U.S. Military in the use and applications of defense spray. Co-owner of Defensive Protection Systems, that manufacturer's DPS defense spray for law enforcement, he developed **RV Defense™** to protect Rv'ers against all types of predators while traveling the nation.
